Re: Request for Waiver

Please be advised that this is an appeal made by Seminole County School District, USAC Entity #127516. We are hereby requesting a waiver of the 471 filing deadline for Funding Application #821880, because this Funding Year 2011 Form 471 was postmarked and filed outside the filing window.

Funding Application #821880 is a request for continuation of a multi-year contract for Internet Access for our school district, which began on July 1, 2008 and is set to expire on June 30, 2013. Due to an oversight on my part, I missed the deadline for filing and ask that the FCC please waive this, so that we continue to maintain our Internet Access. The vendor in question on this funding request is Windstream Communications, Inc., SPIN 143030766.

I am attaching a copy of the contract with Windstream Communications and our district. If you have any questions or need any additional information, please feel free to contact me at 229-220-6043 or you can email me at: rmiller@seminole.k12.ga.us. Thank you in advance for your assistance in this matter.

Sincerely,
